20. Applicants shortlisted according to the age brackets in the information format that you collect.

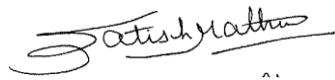

Having been advised NDAs do not prohibit the provision of the generic information I have requested, and that the anonymised, untraceable data I have requested does not pose risk to breaches of confidence, I do not envisage the HEE being challenged by my request. Nonetheless, can you please revert to me at your earliest convenience with any enquiries or clarifications you may have regarding my request.

I understand that under the FOI Act the 'requester' should be advised and assisted with their request by the HEE. I look forward to your assistance. If any of this information is already in the public domain, please can you direct me to it, with page references and URLs if necessary.

I look forward to receiving your response and information within 20 working days after you receive this letter.

I would be grateful for written confirmation of receipt of this request please.

Yours faithfully,

Dr Satheesh Mathew
